# HOME *away from* HOME

FOR ADDITIONAL INFORMATION, VISIT [BUTLER.EDU/RESIDENCE-LIFE](http://BUTLER.EDU/RESIDENCE-LIFE).

Moving into your first place away from home is liberating and exciting. And at Butler, you'll share this experience with new roommates and neighbors—all part of a campus community that makes residence halls feel more like homes.

Some of your best relationships will begin right here. Nearly all incoming first-year students, and most sophomores and juniors, live on campus. You're never far from anything you need—your classes, the library, the HRC, and late-night snacks are always within walking distance.

Currently, Butler provides housing for full-time, undergraduate students in four residence halls—Irvington House, Fairview House, Ross Hall, and Residential College (ResCo)—and four apartment communities—University Terrace, the Apartment Village, South Campus Apartments, and Butler Terrace.

## COMPLETE YOUR HOUSING INTENTION

Information on the housing process will be sent after your enrollment deposit is received. The housing intention form will become available on [my.butler.edu](http://my.butler.edu) on February 15.

Complete the housing intention as soon as possible after the process opens, and before your New Student Registration date. Housing assignments are made based upon the date the online intention is first finalized. Changes, including roommate requests, can be made until May 15. Housing assignments and roommate assignments are emailed in July.
